A registration fee of \$228 includes a complete Kearny FC training kit (short and shirt) hoodie, book bag, and a soccer ball for any/all players under U14. A registration fee of \$178 includes a complete Kearny FC training kit (short, shirt and soccer ball) along with a hoodie for any/all players over U15. The monthly fee will be \$88 per month. All monthly fees are due between 1st-5th of each month; late payments will incur a \$20 late fee. If monthly payment has not been paid by the 5th, the player will not be allowed to practice until payment has been made. Kearny Football Club covers 2 days per week, 3 days if field permits are available. 1 hour and 30 minutes per training, weather permitting.

Every player on the traveling team must participate in one league and one tournament per season (3 leagues per year; we play 12 months per year). Tournament payments are due on the first-fifth (1-5) at the beginning of each new season. There is a \$20 late fee after the 5th. No player will be allowed to play in league games unless payment has been made. If you sign up for a league/tournament and either do not show or are unable to participate, the fee is non-refundable and non-transferrable to another league or tournament. League and tournament sponsors do not refund any fees to the team.

If the player is scheduled to go on vacation, please advise the team coach at least 30 days prior to the vacation. Each player's parents/guardians must be responsible for their child's own health insurance and must provide a copy on the day of registration or fill out the information above. If a copy of health insurance is not provided, the player's parent/guardian is responsible for any injuries or health issues. Kearny Football Club will not be responsible for any/all injuries related expenses or lost
